RE: US 2007/0056462 A1 Not Patentable – Objections to Its Further Amended Claims

Dear Mr. David Parsley:

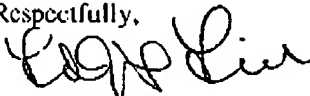

We have noticed that the applicant has once again amended the claims and I would like to file my objections to the amendment submitted by the applicant on November 8, 2010.

To meet the protest requirements by USPTO, please send a copy of this document to the applicant of the application in question.

Should you need other information, please do not hesitate to contact me.

Thanks and best regards.

Respectfully,

Liqing Liu
